

Join us Thursday, May 28/15

# You're Invited!

Join us for a **Free 1 Day Workshop** - geared towards all **Particle and Materials Processing Industry Professionals- Carbon Capture & Storage, Catalysts, Healthcare, Oil and Refining**

**DATE:** Thursday May 28, 2015

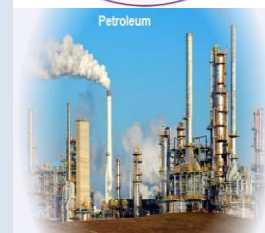

**TIME:** 9:30 am – 3:30 p.m.

**LOCATION:** *NINT*, National Institute Nanotechnology – 11421 Saskatchewan Dr. NW Edmonton AB  
Room : NINT 1-001

RSVP: [landrews@ats-scientific.com](mailto:landrews@ats-scientific.com)

**\*Networking at 8:30 with coffee\***  
**\*a complimentary lunch will be served\***

**Register Now to Attend**

Topics Presented:

- Particle Size + Zeta Potential
  - Static Light Scattering
  - Dynamic Light Scattering
- Digital Image Analysis (size + shape)
- High Shear Fluid Processing- Dispersions & Nanoemulsions (Carbon Nanotubes, e-Ink, Electrode Coatings)
- Surface Area Chemistry and Pore Structure

**Register Now to Attend**

**RSVP: Before May 14th**

Dispersion Technology Inc

**HORIBA**  
Scientific

**Microfluidics**

**Quantachrome**
